### Grapes:: A Vintage View of Hockey

A Wild Look at Life in Hockey...To millions of Canadians, Don "Grapes" Cherry is the irascible co-host of "Molson Hockey Night's Coach's Corner," whose controversial, candid and highly spirited commentary has endeared him to hockey fans throughout the provinces. A larger-than-life figure in the ann

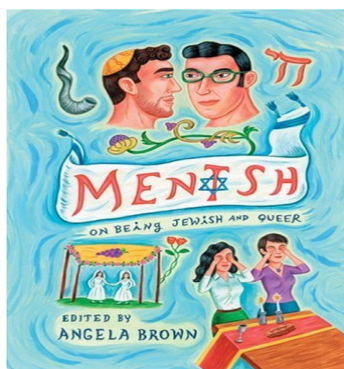

### The Reb and the Redcoats (Living History Library)

In an interesting turnabout, the Revolutionary War is seen through the eyes of a British family to whom an American prisoner of war has been entrusted. Technically the young prisoner is in Uncle Lawrence's custody, but the children soon forge a forbidden friendship with him after he nearly dies in

### Dominican Republic - Culture Smart!: The Essential Guide to Customs & Culture

Occupying the eastern two-thirds of island of Hispaniola, the Dominican Republic has something for almost everyone – except perhaps obsessive perfectionists. If you can relax and go with the flow you will experience a land of great environmental diversity with a rich and varied culture, a tur

### Mentsh: On Being Jewish and Queer

Tossed between sometimes contradictory cultural imperatives, queer Jews often find themselves in a soul-searching struggle to integrate their religious beliefs with their gayness. Over 30 contributors from around the world (including Israel, Serbia, and Australia) reveal their surprising, poignant,

What others say about this ebook:

**Review 1:**

The collection covers a wide variety of drills, from fitness to fundamental skills to tactics. The authors have made a serious effort to index the skills being emphasized, and in large part were successful; it would be possible to plan many, many practices using no other source. The drills are presented clearly, with the text and diagrams interacting to make each drill easily accessible. My only complaint -- and it's minor -- is that there is some repetition; some of the later drills are variations of the earlier ones.

I have been coaching for six years and playing for 20, and I found this to be a very valuable source.

**Review 2:**

I have owned a copy of this book for over a year. I would rate this book essential for beginning to intermediate soccer coaches. I have coached youth soccer for 4 years (ages 5-10 rec. and select) and have found this book to make selecting drills simple. The drawings are plain ("X's" and "O's") and clearly illustrate each drill. I looked at several other books that utilized nice graphics and photos to show how to run each drill. However, the clear, simple and concise use of diagrams makes the most complex drill easy to understand and run. In addition, each drill is listed by primary area of emphasis (passing, defense, passing, shooting, etc.) so that you can select one or more drills to emphasize the part of the game your team needs to work on. I highly recommend this book as a supplement to coaching soccer to youth players.

**Review 3:**

This book shines in many different areas. The most important being its ease of use.

### 900+ Free Soccer Drills For Youth Coaching

We are available worldwide for modern day coaches with soccer practices, tips, and the basics of youth soccer coaching. On our website you will discover a collection of 1000+ free drills and practices with printable text, graphics and video animation.
