EU Enlargement and the Failure of Conditionality (European Monographs)

Among the criteria for accession to the European Union are democracy and the Rule of Law. In the insightful analysis offered by the author of this book, these concepts – while admirable and even necessary criteria in principle – are almost impossible to measure, and any judgement grounded in them will always be difficult to justify. In his words, 'by including analysis of democracy and the Rule of Law within the field of the EU enlargement law, the Union entered an unstable terrain of vague causal connections and blurred definitions.' Dr Kochenov addresses this problem by proceeding as follows: 1. Outlining EU enlargement law in general,
