The Bridgertons: Happily Ever After

Once upon a time, a historical romance author created a family . . . But not just any family. Eight brothers and sisters, assorted in-laws, sons and daughters, nieces and nephews (not to mention an overweight corgi) plus an irrepressible matriarch who's a match for any of them . . . These are the Bridgertons: less a family than a force of nature. Through eight bestselling novels, readers laughed, cried, and fell in love. But they wanted more. And so the readers asked the author . . . What happens next? Does Simon ever read his father's letters? Do Francesca and Michael become parents? Who would win in a Pall Mall grudge match? Does "The End" really have to be the end? Now, wit

What others say about this ebook:

Review 1:
Wonderful!

I laughed and I almost cried (two times). You can not not love The Bridgertons.

Review 2:
I love each of the 8 books Bridgertons I love all the eight Bridgerton siblings, from the first to the latest released ... and with this book, with second epilogues for each of the books and with a beautiful story about the mother of Bridgertons, Violet, this book is more a charming Bridgerton, a new look for each of the books, and couples and even a vision in Violet and Edmund's love story, love for each other and for their eight children ... and grandchildren.

Review 3:
Like that there was a catch up on all the Bridgertons. It rounded things off nicely.

Review 4:
A good book it is bits of her other books but new added on a must read I'd say??

Review 5:
great
