Personal Branding and Marketing Yourself: The Three PS Marketing Technique as a Guide to Career Empowerment

Whether you are seeking a new position, changing roles within an organization, or taking charge of your career planning, marketing yourself is the best way to seize these opportunities. Yet few of us are ready and able to talk about our talents, accomplishments, and the value we have to offer. In this engaging, timely, and informative book, acclaimed career, executive coach, trainer, and consultant Rita Balian Allen makes the case for personal branding as an essential ingredient for a successful career. For Rita and the many people who have sought her guidance, the Three Ps Marketing Technique has been the key. This technique PREPARES individuals to promote themselves by PACKAGING their tal

What others say about this ebook:

Review 1:

This book helps you shift your mindset about what it means to take charge of your career. Rita provides you with a very thorough and thoughtful process on capitalizing on the "Three P's"....Preparation, Packaging and Presentation that enable you to define your brand. There are many practical and immediately applicable worksheets and checklists that enable you to get started right away on defining your brand, plus numerous stories from other professionals that utilized these tools on their journey of professional and personal growth. This is a resource book that I will be referring to over and over again.

Review 2:

Whether you're a seasoned professional or at the beginning of your career, Rita's branding strategy of the three P's - preparation, packaging and presentation walks you through a process that empowers you to take charge of who you are and helps you to define what you want. There are no shortcuts to anything of value - invest the time in the personal branding guide and enjoy the journey.

Review 3:

A simple and down to the point approach in branding yourself.

Review 4:

I have taken Rita's course in Personal Branding and this book is a fabulous review of all the points to consider. It is easy to read, common sense language, and one to reread again, especially starting with the beginning of the year and setting personal goals. Identifying strengths and staying true to your values is a critical foundation. The exercises in the book also are beneficial and can be applied to your career at all levels. It written with positive passionate energy and uplifting. I highly recommend whether you apply the principles to your working career or your new years resolutions.

Review 5:

I found this book to be a useful resource for all ages, career stages and industries. It is well organized and presents helpful tools in a clear and concise way. The testimonials and personal experiences serve to provide great examples of how the three P's work in real life. The style of the author lends itself to the book being a resource that you can keep referring to in the future. As your life and career change or not, this book can continue to be a great guide. As you do your homework with the worksheets, you not only learn about who you are professionally, but personally as well!
