The Baghdad Lawyer

The Baghdad Lawyer is a memoir like no other. Readers will experience for the first time the behind-the-scenes workings of the Iraqi criminal justice system from the perspective of one of the most respected trial lawyers in Iraq, in the years before and during the violent and chaotic rise and fall of Saddam Hussein. In a career spanning fifty years, Dr. Sabah Aris has been shot in the head, forced to brandish a revolver to prove a point in court, witnessed an act of cannibalism, defended Saddam Hussein's notoriously unstable and violent son Uday, and more than once has found himself at odds with and at the mercy of Saddam's all-powerful Secret Service, the Mukhabarat. Th

History of the Presbyterian Churches of Path Valley: Addresses Delivered at the Sesquicentennial of the Upper and Lower Path Valley Churches and a ... October 18-20, 1916 (Classic Reprint)

Excerpt from History of the Presbyterian Churches of Path Valley: Addresses Delivered at the Sesquicentennial of the Upper and Lower Path Valley Churches and a History of These Churches, October 18-20, 1916 This little book is sent forth with the prayer that it will honor the churches in who

Tales of Tax Reform: The U.S. income tax laws were last reformed in 1986. What are the prospects for reform now? What have we learned from the remarkable achievement in 1986?

. Politicians of all stripes are calling for tax reform. It sounds great: lower the tax rates, get rid of all of the "special interest" provisions, make our tax law simple, fair and an engine for economic growth. Some pundits even suggest that tax reform is "low-hanging fruit

Love Saves the Day: A Novel

From the author of the New York Times bestselling memoir Homer's Odyssey comes a tender, joyful, utterly unforgettable novel, primarily told through the eyes of the most observant member of any human family: the cat. Humans best understand the truth of things if they come at it indirec

Hybrid Drawing Techniques: Design Process and Presentation

Hybrid Drawing Techniques: Design Process and Presentation reaffirms the value of traditional hand drawing in the design process by demonstrating how to integrate it with digital techniques; enhancing and streamlining the investigative process while at the same time yielding superior presentation i

What others say about this ebook:

Review 1:

Being in the millennial generation from the US I grew up hearing of Baghdad only through the mainstream news. I grew up naive to the true struggles being faced day to day by the Iraqi people. Dr. Aris' story to success showed me a time lapse of Iraqi history. More importantly, his story related directly to the values I grew up on and strive to live by. I found this book to be a fascinating read. Dr. Aris was able to make his story relate to everyone no matter what country they are from... Morals, values, and justice are important to uphold universally!

Review 2:

Dr Aris is a very prominent Iraqi lawyer he realized that Judges have their hearts divided by their duty to uphold and implement the laws and their compassion for the innocents. Dr. Aris managed to exploit this to the utmost and was credited with upholding the laws while fighting very hard for the poor innocents. He symbolizes the great saying about the English courts,(The scale of justice may sometimes tip one way or another but eventually it balances out and justice is preserved)Alkadhimi
